

Pine River Public Library District

Public Bulletin Board Policy

1. Bulletin Board materials may be submitted for civic, educational, or cultural purposes. Organizations may submit literature publicizing a specific event. Limited space generally allows only short-term notices.
2. Commercial service information may be posted if space allows. Community events and nonprofit, civic, educational, or cultural materials will be given priority.
3. Each item posted must be approved by library staff. Staff may prohibit postings which do not meet library policy. Items left for posting become the property of the library and will not be returned.
4. The kiosk and library notice boards are reserved for library promotional materials. Pamphlets or other hand out materials may be placed in a spot designated by staff.
5. Any materials that violate the law or are unprotected by the First Amendment (such as copyright violations or obscene, defamatory, or libelous speech) will be removed.
6. Any posted materials may be removed by the staff without notification.
7. Materials displayed or distributed in public areas do not necessarily reflect the views or positions of the Library or Board of Trustees.
